SUBMITTING THIS FORM DOES NOT GIVE YOU THE AUTHORITY TO PROCEED WITH WORK. YOU MUST ALLOW UP TO 45 DAYS AFTER SUBMISSION OF ALL REQUIRED DOCUMENTS FOR APPROVAL.

All approved modification projects must be started and preferably completed by the end of the calendar year. If work has not started, approval authorization will expire. If work is in progress, you must submit a letter for an extension. If there are any alterations in the previously approved modification, you must restart the approval process.

Submitting this form does not relieve you of complying with City of Aurora regulations and/or obtaining the necessary permits from the City of Aurora. Contact the City of Aurora's Building/Permits Dept at (630) 256-3130 for information.

Thank-you for complying with the Oakhurst Architectural Guidelines. Your cooperation is appreciated.
