PREFACE

These Rules & Regulations have been adopted with the intent of providing the residents of Oakhurst Community Association with a practical plan for day-to-day living. Its goal is to maintain our community as a first-class Association and to provide residents with common sense guidelines for living together as neighbors. A successful Association is a community of owners who exhibit a pride of home ownership and share a common vision as to what constitutes a desirable neighborhood.

Membership in the Oakhurst Community Association runs with the property. Each buyer of property within Oakhurst is bound by the governing documents of the Association that include the Declarations (CC&R), By-Laws, Rules & Regulations and Architectural Guidelines. Homeowners who oppose a particular rule or regulations are asked to keep the following points in mind:

- Living in an Association means one must adhere to certain Rules and Regulations due to the necessity for architectural conformity and the demands of the Declaration and By-Laws, which exist for the benefit of our community and helps to maintain our property values.
- You have the right to petition the community to change a regulation if you feel that a particular regulation no longer applies or is unduly restrictive of the majority.
- If you are found in violation and are fined, remember this action is taken because the majority of homeowners in Oakhurst consider it to be just and proper. Effective Rules & Regulations requires the cooperation of all residents of the Association. The best approach to resolving a difference with a neighbor is to talk to your neighbor directly. However, should this not resolve the problem, an official complaint can be filed with the Property Manager. Each resident's cooperation and participation is encouraged. This is your Association and these are your rules.

Any expenses incurred by the Association in locating a Unit Owner who fails to provide such information shall be assessed to the unit owner. Unless otherwise provided by law, any Unit Owner who fails to provide such information shall be deemed to have waived the right to receive notices at any address other than the address of the unit and the Association shall not be liable for any loss, damage, injury or prejudice to the rights of any such unit owner caused by any delays in receiving notice resulting there from.

Nor may Snowmobiles be operated within the right-of-way of any public street within the city unless expressly authorized by the police chief during cases of emergency. SECTION VII – PETITIONING FOR CHANGE

- 7.1.** The Board of Directors has adopted these Rules & Regulations in the belief that they reflect the requirements of the CC&Rs and the will of the majority of residents. Requests for changes can be made in writing or in person through your Neighborhood Representative, the Property Manager, or directly to the Board. The Board on at least an annual basis will consider all requests for changes in good faith. Please remember that most of the requirements in the Rules & Regulations are simply restatements or clarifications of provisions in the CC&R and therefore may not be changed without amending the governing documents. Amendment of the CC&R requires an affirmative vote by Neighborhood Representatives representing 75% of the total Units in the Association.
- 7.2.** Residents may also call for a Special Meeting of the Association to consider either a Rules & Regulation change or an Amendment to the CC&R by collecting signatures of at least 10% of the homeowners (only one signature per residence) in the Association on a petition that states the particular change(s) sought and presenting it to the President of the Board. At such a Special Meeting a Rule & Regulation can be overruled, cancelled or modified by a vote of the Neighborhood Representatives representing a majority of the total Units in the Association and the CC&R can be amended by a vote of the Neighborhood Representatives representing 75% of the total Units in the Association.
